Proposed Vehicle Code Change

In 2018 California changed its license requirements for towing vehicles. Most people have a basic Class C license. That license used to allow most drivers to haul their horses for recreational purposes.

The licensing changes required a driver to possess a Class A License when towing any trailer over 10,000 pounds GVWR. This change impacted the horse community because many living quarters weighed over 10,000 pounds.

On February 20, 2019, California Senate Bill No. 415 was proposed by Senator Shannon Grove. This bill proposes amending the Vehicle Code. It would define the term "recreational trailer" as a vehicle that is designed to be towed by a motor vehicle and used for human habitation, to carry horses and other animals, to carry recreational equipment and off-highway vehicles, or some combination of these uses, for recreational purposes.

This bill would authorize a person with a class C license to tow a recreational trailer weighing no more than 10,000 pounds or, if the person has passed a written examination, a recreational trailer weighing more than 10,000 pounds but not exceeding 15,000 pounds.

The text of the entire bill is available online at the following address:

http://leginfo.ca.gov/faces/billNavClient.xhtml?bill_id=201920200SB415

If you agree with the proposed changes, you could contact your California representatives to ensure they support this vehicle code change.

Easter Sunrise Service Sunday, April 12th

Join Bonnie on her annual ride to Easter Sunrise Services. She will be leaving her house about 6 am and riding up Sixth Street. She is scheduled to be at the Boot Barn parking lot by 6:30. If you are running late, you can trailer to Ingalls or just drive up and sit in the bleachers. The folks at Norco Christian Church go to a lot of work to put on this service. It would be really nice to have a big group and support the community.

Parade Saturday, April 18th

Come join NHA for the Horseweek parade. The parade starts at 10:00 am, but we will need to line up a little earlier. Please contact Darrell Cravy at (562) 397-5080 for further information.

Obstacle Course Thursday, April 23rd

This is Norco's biggest obstacle course every year! It takes about 25 volunteers to make it happen. Bonnie (714) 585-9528 and Joy (951) 318-2793 will be coordinating. If you would like to volunteer just give one of them a call.
