## Candidate's Night 2020

*By Bonnie Slager*

I hope you were one of the approximately 150 people that were able to join us at candidate's night on Thursday, September 17<sup>th</sup>. For all of you registered to vote in Norco this was a chance for you to see and hear from the council candidates in person.

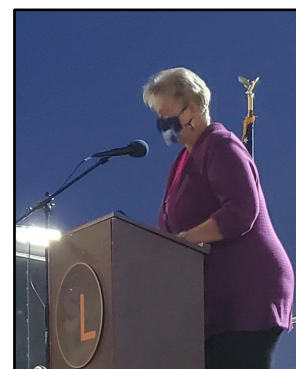

We were determined to have a live event and kept being told it would have to be a Zoom event. We really wanted it to be live so after trying multiple places and looking at county health department regulations in place at the time, we decided on using Silverlakes as they already had an OK from the county health department to have outdoor meeting events with the guests in the cars. Also, they have the equipment to broadcast the audio to car radios as well as the candidate's picture on a large screen.

We had to change the program a little bit and I am sure it was odd for the candidates to be talking to people that they could not see but all in all it turned out to be a good event. Voters got to see and hear the candidates and because they could not clap for a candidate we substituted horn honks for clapping. About a third of the people stayed after to talk to people that they had not had a chance to see for the last 6 months and some of the candidates were able to answer some individual questions afterwards too.

A big thank you to the NHA Board for supporting this event and to RURAL for co-sponsored the event with us. I hope all of you have a better idea of which candidates you will be voting for in the November election.

*Thank you to the candidates  
who attended this event*

## **Christmas Party December 13, 2020**

*By Terri Baker*

It's with complete disbelief that we're already into the holiday season of 2020. This has been an unbelievable year full of memories, whether good or bad. However, as time would have it, it's the best time of year to celebrate. And celebrate we shall. On Sunday, December 13, 2020 we will hold our fourth year at Villa Amalfi at 5:30 PM.

Please join the fun while we ring in the holiday season. There will be a sumptuous dinner with chicken parmesan, fettuccine alfredo, garlic roasted potatoes, mixed vegetables, Miso salad with coffee, tea, and soft drinks. Appetizers and a dessert will also be provided.

We will have music, dancing, games, awards and much more. There will be a secret Santa "White Elephant" type gift exchange and we ask that you bring a gift valued at \$10 or more to participate in that. Ticket pricing is still being determined at this writing.

If you have any questions, please direct them to Terri Baker at (951) 316-4202 or email at [tbake@msn.com](mailto:tbake@msn.com).

Please stay safe and I hope to see many of you there, at a safe distant that is. Also, please wear a mask to the event and bring an additional extra spiffy one to decorate a small tree with. Temperatures will be taken upon arrival to insure a safe environment for all. As a precaution, if you have an elevated temperature above 100 degrees, you will not be admitted to the event.

## **Open Riding Returns to Ingalls**

Ingalls has re-opened for recreational riding!

The city has announced that open riding will resume at Ingalls Center's Clark Arena. When available, riders can use the 98,000-square-foot covered open-air arena Mondays thru Wednesdays from 10 a.m. to 3 p.m.

If you interested in going, you can only enter at Gate 7. That gate opens at 10:00 AM. You must wear a mask and maintain social distancing; 6 feet between people and 10 feet between horse trailers. Check the City's website before you go to ensure the arena is open.

Only three riders are allowed in the arena for 30 minute sessions. This may seem restrictive, but normally it is not crowded. Riders can work their horses as long as they want if no one else is waiting.

We are so fortunate to live in Norco where this type of facility is available to the public.

## Oak Creek Wild Horse Ranch

On 24 October, ten NHA members( led by our President Bonnie Slager) and six guests went to visit the Oak Creek Morgan horses near Tehachapi. We took over 20 bales of alfalfa and got to see 70 plus horses come down from the hills to our location. We spread out 4 bales of hay and watched the majestic animals eating.

It was a beautiful day with the Edison wind farms in the background. We remained among the horses for about 3 hours and then went into Tehachapi for lunch with our host Diana Palmer.

For more info on these horses, go to [oakcreekwildhorses.com](http://oakcreekwildhorses.com). We will plan to go again next spring.

Norco Horsemen's Association President Bonnie Slager presented to our organization a check for \$1,500.00 for us to use for our food boxes. Because of COVID, this presentation was delayed. Each year this money is used to buy our Easter food box, but also because of COVID, we were unable to purchase food. This donation will be used for our food boxes next month. It was very nice that several members of NHA came to food box distribution yesterday. Thank you so much for your donation!!
