*Remembering Former Mayor*

# KATHY AZEVEDO

## Message from the President

*By Bonnie Slager*

We are half way through the year and things are finally beginning to open up.

The City has planned a fun day for the fourth of July with a trail ride in the morning led by our Mayor Kevin Bash and lots of games for the whole family. Please join us on the trail ride and decorate you and your horse in red, white and blue to celebrate. Kids can decorate their bike or tricycle as well as eat pie and watermelon. Then there is an ice block challenge. You need to be there to see that one. Also, volley ball and horse shoes. Food will be available or you can bring your own. This event will be over by about 3 so you can go home and watch all the fireworks displays from your yard and make sure your dogs, cats, horses and whatever else you have are OK with the noise.

Then on July 24 we will be celebrating the Day of the Cowboy at Ingalls Park. Gates open at 5 pm for games and of course the annual cow chip throwing contest. There will be a variety of things for children between 5 and 7 pm. At 7:30 there will be a ranch rodeo. If you have not seen one of these rodeos it is really a lot of fun. Have you ever seen someone try to milk a wild cow? Try to ride a wild donkey? There is some roping and a bronc riding event too. There will be mutton busting which is a favorite of mine. I think many places would consider this child abuse but not in Norco. This evening is only \$10 per person and parking is free so please plan to be there. Food will be available.

We are beginning to have a few events. We have had a couple of trail rides and hope to have some other events in the fall. August is just too hot to plan many activities. If you have an idea for a fun event please let me know and we will consider it.

The City has been very busy with capital improvement projects. You may have seen some streets getting repaved as well as trails improved and more white fencing installed. The money for these projects comes from Measure R funds. The City has also been able to do some reroofing that was badly needed as well as some upgrades to Ingalls Park. Other parks are getting new playground equipment. You may have noticed that the pole barns are gone. There will be a building there for events ranging from 4H competitions to conferences to formal events such as a wedding. I am looking forward to seeing the completed project. It will be a nice addition to the City facilities.

Please join us for our monthly meetings. I try to bring you City updates as well as anything else that might be of interest to you. We meet at the American Legion on the third Thursday of the month at 7 pm. Dinner is available before the meeting served by the Legion ladies as a fund raiser for that group. Please try to support them too by eating with us before the meeting.

Thank you for being a member of NHA and please let me know if you have questions or ideas for us.

## Kathy Azevedo 1953 – 2021

Though we tried, we simply could not find the words to adequately express our sorrow. Perhaps you can. Please send your thoughts to [the4chases@sbcglobal.net](mailto:the4chases@sbcglobal.net). We are hoping to include them in the next newsletter.

Please join us for a

## 2021 FFA Scholarship Recipients

The four masked ladies in the picture above are our scholarship winners for 2021. Each of them will receive \$1,000 to help them with their college education.

These ladies all have a 3.5 GPA or better. One of them has a 4.1 GPA. They have been active in the Norco High School FFA as well as other school activities and community activities such as the fair and Horseweek. They have excelled both in and out of the classroom and are definitely assets to the Norco community.

One of them is staying in the area for a year or two and going to Mt. Sac for her first two years of education. Another is going to Corban University in Oregon. The other two are going to Cal State San Bernardino and Redlands University. Our Redlands student will be playing on the water polo team. Their majors range from Business to social work to animal science to pre-vet.

These bright young ladies will do well and be an asset wherever they go. We can only hope they return to Norco after they finish their education. Well done, Angelia, Rachel, Amanda and Nicole!

## How **HOT** is **TOO HOT** to work your horse?

- Heat Index > 180**  
USE EXTREME CAUTION  
Normal cooling is almost ineffectual
- Heat Index > 150**  
USE CAUTION  
Watch for signs of heat stress
- Heat Index < 130**  
ENJOY YOUR RIDE!  
Your horse can keep its body cool

### HOT TIPS

Heat exhaustion should not be underestimated as it can advance to heat stroke quickly.

If you suspect your horse is developing heat stroke, or if your horse's body temperature does not drop to 101°F or lower despite your best efforts to cool him off, call your veterinarian immediately.

### SIGNS OF HEAT STROKE IN HORSES INCLUDE:

Temperature as high as 105 to 107 F; rapid breathing, rapid pulse; stumbling, weakness, depression; refusal to eat or work; dry skin and dehydration. In severe cases, a horse may collapse or go into convulsions or a coma.

## TREATING AN OVERHEATED HORSE

### COOL OFF

Splash or spray the horse with cool water; you can ice neck, forehead, inside of front and back legs.

### RE-HYDRATE

Provide water to replace the fluids the horse lost with sweat. Electrolytes may also be given orally.

### SHADE & BREEZE

Remove tack and place animal in the shade; if possible add a breeze with a fan.

### MONITOR

If the horse is not back to normal within an hour or if you're unsure, call your veterinarian immediately!

## Riverside Recreational Trails Frank G. Bonelli Park Open Ride

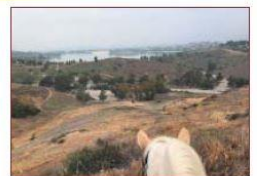

**Saturday, July 10, 2021**  
**Ride out at 10:00 am**

Please RSVP  
by July 8th

Visit our Web site at  
[www.rrtrails.com](http://www.rrtrails.com)

## OPEN RIDE...bring your family & friends!

The park is 1,975 acres that surround Puddingstone Reservoir. We will ride the Bonelli Trail. It is 9.4 miles and the ride will last about 3 hours. Parking is plentiful and free. The trails are good and wide with some hills and no drop offs. It will go through dry hills, a shaded bridge path past the picnic and recreation areas and beaches, though a wooded area that crosses a creek, and through oak-covered hills with scenic views of the lake. The parking area has water, picnic tables and shade. Bring your lunch to enjoy with us after the ride.

## We will have a 50/50 Drawing

\$1.00 per ticket \$5.00 for 6 tickets
